

PETITION FOR EDUCATIONAL EXPENSES

Purpose

File this Petition for Educational Expenses along with a Notice of Motion to ask the court to order the other parent to pay post-high school educational expenses for a non-minor child (a child 18 years old or older). Although a non-minor child can continue to receive support and educational expenses if he or she is (1) still in high school, (2) disabled, or (3) continuing his or her post-high school education, this form is only for parents seeking post-high school educational expenses.

What You Have to Do

You must complete this petition and bring it with you to file when you go to get a court date. If your petition goes according to plan, the judge will order the other parent to pay educational expenses. As is true with the rest of the documents in your case, it is important that you complete this carefully. This petition asks for support in addition to the existing order, so make sure it says what you want it to say.
