3. ORDER INFORMATION:

Using the information from the top of your official Child Support Order, fill in the blanks in the Order Information section as described below.

You will need some background information about the child support order. Fill in this information according to the blank spaces:

- The judge who signed the most recent child support order
- The county that child support order is filed in
- The month, day and year that child support order was entered
- The month, day and year that the youngest child for which support is being paid turns 18 (the day that child support payments will end)

For the question on Health Insurance (top of the second page), check the box if any of the children are to be enrolled in the insurance program of the person who will pay/or is paying child support

You will need to enter the following information about money:

- The amount of support that should be sent, according to your Order
- The frequency of when support (weekly, biweekly, monthly) should be sent
- The amount of past due support – including the frequency it was supposed arrive at and the total amount missing. For example, if your Order is for \$300 a month, and 2 months weren't paid, then you would write "\$300 per month in past due support totaling \$600."
 - Arrears means "past due." If the past due support is more than 12 weeks late, check the box saying "Arrears 12 weeks or greater."
- The amount of medical support and the frequency of the medical support according to your Order
- The amount and frequency of any other support that is required in your Order
- The total amount of support that you receive using all of the amounts that you filled in above. Enter the frequency (weekly, monthly, bi-weekly) that the total is paid.

The employer may not pay on the same schedule as your support Order asks. The employer might pay out biweekly, while the Order says monthly. These four blanks will calculate the amount that the employer will withhold if they are on a different schedule.

They will probably use a weekly (52 times a year), semimonthly (24 times a year), monthly (12 times a year), or biweekly (26 times a year) pay period.

You will need to get your yearly total first. So if your support order is:

- Monthly, multiply by 12
 - For example, \$100 per month x 12 = \$1,200
- Weekly, multiply by 52
 - For example, \$20 per week x 52 = \$1,040
- Semimonthly (every other month), multiply by 24
 - For example, \$50 semimonthly x 24 = \$1,200
- Biweekly (every other week), multiply by 26
 - For example, \$50 biweekly x 26 = \$1,300

With your yearly total, you can get each of the values for the blanks by dividing. One of them will be the same as your order. For the examples, the yearly total used will be \$1,200.

- Monthly, divide the yearly total by 12
 - $\$1,200 / 12 = \100
- Weekly, divide the yearly total by 52
 - $\$1,200 / 52 = \23.07
- Semimonthly, divide the yearly total by 24
 - $\$1,200 / 24 = \50
- Biweekly, divide the yearly total by 26
 - $\$1,200 / 26 = \46.15

1. **Priority:**
Withholding under this Notice has priority over any other legal process under State law against the same income. Federal tax levies in effect before receipt of this order have priority. If there are Federal tax levies in effect, please contact the requesting person/agency listed below.
2. **Combining Payments:**
You can combine withheld amounts from more than one employee/obligor's income in a single payment to each agency requesting withholding. You must, however, separately identify the portion of the single payment that is attributable to each employee/obligator.
3. **Reporting the Paydate/Date of Withholding:**
You must report the paydate/date of withholding when sending the payment. The paydate/date of withholding is the date on which the employee is paid and controls the income, i.e., the date the income check or cash is given to the employee, or the date on which the income is deposited directly in his/her account.
4. **Employee/Obligor with Multiple Support Withholdings:**
If you receive more than one Notice against this employee/obligor and you are unable to honor them all in full because together they exceed the withholding limit of the State of the employee's principal place of employment (see #9 below), you must allocate the withholding based on the law of the State of the employee's principal place of employment. If you are unsure of that State's allocation law, you must honor all Notices' current support withholdings before you withhold for any arrearages, to the greatest extent possible under the withholding limit. You should immediately contact the last agency that sent you a notice to find the allocation law of the state of the employee's principal place of employment.
5. **Termination Notification:**
You must promptly notify the payee when the employee/obligor is no longer working for you. Please provide the information requested on the following page and return a copy of this order/notice to the person/agency.

In Illinois, subsection (G) of 305 ILCS 5/10 - 16.2, 750 ILCS 5/706.1, 750 ILCS 15/4.1 or 750 ILCS 45/20.
